Watches

were siginally made for railway sen, whose service particularly required an absolutely tight closing case.

They have given entire satisfaction, and their reputation has spread so rapidly, that they have become the standard Watches for Millers, Miners, Lumbermen, Farmers, Mechanics, Engineers, Travders and others whose occupation requires a watch which is proof against dust and moisture.

Over 150,000 WALHIAM PATENT DUST PROOF CASES are now in actual use.

The WALHIAM were the first PATENT DUST PROOF CASES are now in actual use.

The WALHIAM were the first PATENT DUST PROOF CASES annulactured, and are the only once which completely exclude dust and moisture from the movement.

They are far superior to all others claiming equal advantages.
